Venue	Online or in-person
Registration	₦50,000 for individuals. Organisations should contact us.
Certificate	ISDS Certificate of Completion.
Benefits	Free 1-year membership of ISDS Centre Library in Jos.

**Module Aims**

This module aims to explore factors and processes that lead to the social and educational exclusion of disabled people in our society; examining legislation and policies related to disability and their practical and cultural implications for disabled people; and reflecting on ways to improve the lives of disabled people through better support, with a special focus on diverse and multicultural societies. It also encourages critical thinking about inclusive practices.

**Module Format:**

- **Morning:** Lectures & Interactive Activities (Hybrid – online and in-person)
- **Afternoon:** Practical Work & Group Discussion (Hybrid – online and in-person)

**Learning Outcomes**

By the end of the session, participants will be able to:

1. Identify barriers to participation in education and society.
2. Examine inclusive and exclusionary social, cultural, and institutional practices.
3. Critically evaluate the role of policy and legislation in shaping disabled people's experiences.
4. Explore inclusive education frameworks and enabling environments.
5. Reflect on global perspectives and best practices in inclusive development.
6. Develop practical recommendations to support inclusion in multicultural contexts.
